

# User License Agreement (EULA)

## Introduction

As part of the IFF's ongoing campaign to protect the copyrights of the materials it publishes, we are asking all purchasers to enter into a License Agreement with the International *Feldenkrais* Federation Distribution Center (IFF). The materials are published by the IFF to support and promote the development of our professional field. Protecting the IFF materials:

- Allows the IFF to continue to produce these and additional Materials and make them available to practitioners
- Maintains the IFF's relationship with the copyright owner, the Estate of Moshe Feldenkrais
- Prevents the Materials from entering into the public domain, and so protects the Materials from unauthorized use, for the life of the copyright

## Summary of License Agreement Terms

Summary of License Agreement Terms: Although the specific terms set forth below in the main portion of the User License Agreement will prevail over any inconsistent term in this summary, this summary attempts to provide a brief "plain English" summary of some of the terms of the Agreement. This section does not attempt to summarize all of the material terms of this Agreement, and because of its "plain English" approach may have some ambiguities. You should read, understand and agree to all of the terms of the License Agreement in full, because You hereby acknowledge that the following summary shall not be binding if one or more parts of the License Agreement conflict or are contradictory with this Summary of License Agreement Terms.

**As an individual *Feldenkrais Method* teacher, practitioner or trainee you are expressly ALLOWED (licensed) to use the materials in the following ways:**

- Private viewing for private study purposes
- Limited exhibition for educational purposes (for example, *Feldenkrais* professional training programs, professional and public workshops)
- Where you are purchasing text or audio material in compressed formats (for example, MP3 formats); you may make copies, for your own personal use, on up to three (3) personal computers or digital devices that you personally own.

**You are expressly NOT ALLOWED to use the materials in the following ways:**

- Making any copies of the material, except where expressly allowed by the Agreement
- Creation and distribution of any additional copies of the material, including making copies (whether sold or given away free) in any form: printed, recorded on magnetic, optical or other media (tapes or discs, etc.), posted on the Internet, websites, electronic bulletin boards, and in other digital formats and any other formats that exist or may be created in the future
- Any broadcast or distribution of the materials (for example: on radio, broadcast television, cable television, film, or by webcasting, streaming audio or video over the Internet, podcasting and all other forms of distribution), except with specific written permission of the IFF
- Loaning or lending the materials, including providing them to a library for that purpose.

If you are purchasing these materials for a *Feldenkrais* guild or association the terms are slightly different. Please read sections 2.1, 2.2 and 2.3 for details.
